### IN THE DISTRICT COURT OF

# **DALLAS COUNTY, TEXAS**

Defendants.

## **14TH JUDICIAL DISTRICT**

## **FINAL JUDGMENT**

On June 27, 2018 came to be considered Defendant American Traffic Solutions, Inc.'s ("ATS") Motion to Dismiss All of Plaintiff's Claims Against It Pursuant to Chapter 27 of the Texas Civil Practice and Remedies Code. The Court examined the pleadings and held a hearing pursuant to TEX. CIV. PRAC. & REM. CODE § 27.004.

On June 29, 2018, the Court issued an Order finding that Plaintiff's legal action is based on, relates to, or is in response to ATS's exercise of the right of free speech. TEX. CIV. PRAC. & REM. CODE § 27.005(b). The Court further found that Plaintiff BusPatrol America LLC cannot establish by clear and specific evidence a prima facie case for each essential element of its claims against ATS. The Court further found that ATS has established by a preponderance of the evidence each essential element of valid defenses to Plaintiff's claims.

The Court dismissed all of Plaintiff's claims against ATS with prejudice. The Court further ordered ATS shall receive its court costs, reasonable attorney's fees, and other expenses incurred in defending against Plaintiff's legal action, pursuant to TEX. CIV. PRAC. & REM. CODE § 27.009(a)(1). The Court also ordered ATS to submit proof of the total of its fees by affidavit by July 13, 2018, which it did on July 2, 2018.

The Court has reviewed American Traffic Solutions, Inc.'s Request for Court Costs, Attorney's Fees, Expenses, and Sanctions Pursuant to the Court's June 29, 2018 Order and Texas Civil Practice and Remedies Code § 27.009.

### **IT IS THEREFORE ORDERED THAT:**

a. BusPatrol shall pay to American Traffic Solutions, Inc. the amount of \$420,950.70 in reasonable attorneys' fees;

b. BusPatrol shall pay to American Traffic Solutions, Inc. the amount of \$9,959.09 in costs and expenses; and

<u>c</u> BusPatrol shall pay to American Traffic Solutions, Inc. the amount of <u>sanctions</u> in sanctions, the Court having determined that such sanctions are sufficient to deter Plaintiff from bringing similar actions in the future pursuant to TEX. CIV. PRAC. & REM. CODE § 27.009(a)(2).

d. In conformance with the Court's June 29, 2018 Order, BusPatrol's claims against ATS are dismissed with prejudice in their entirety.

This judgment disposes of all parties and all claims and is final and appealable.
